CORPORATE PARTNERSHIP OPPORTUNITIES

Below is an outline of the various ways your business can partner with United Way of Sheboygan County. United Way supports your philanthropic goals and engages your team in our mission to build a stronger and healthier Sheboygan County.

Corporate Gift

A gift from your business to United Way's Community Action Fund supports community members thrive. A thriving community supports the individuals and families that help make your business successful. One of the easiest ways to support our community's growth is by making a gift to United Way's Community Action Fund.

Run a Workplace Campaign

Give your employees the chance to make a difference in our community by making a gift through payroll deduction. Running a workplace campaign can help your company meet your community involvement goals and strengthen your employee teams.

If you already run a workplace campaign, consider thanking your employees with a matching gift. Double the power of your staff's gifts to United Way by matching a portion or all of their contribution. This is a wonderful way to thank your employees for participating in the United Way Campaign and support our shared vision of a community where all individuals and families can achieve their human potential through education, financial stability, and healthy lives.

Run a Workplace Special Event

Give your employees the chance to give back to our community in a fun way. Using a variety of volunteer efforts and fun events can enhance the relationship your company and employees have with the community and United Way throughout the year. That increased involvement and knowledge of community issues also benefit your workplace campaign.

2021-2022 Sponsorship Opportunities

Another way to support United Way is by sponsoring a community event or fundraiser. Sponsors receive recognition on United Way's website, within event marketing efforts, during the event, and more depending on the event.
