

GIVING BACK IN RETIREMENT

One way to be productive and happy in retirement is by giving back. According to a study by United HealthCare, giving back to the community reduces stress, improves mood, and physical health.

"We make a living by what we get, but we make a life by what we give."
— Winston Churchill

GIVE

A gift to United Way's Community Fund allows you to help more people than a gift to a single nonprofit can. Our community's problems are interrelated, and only the Community Fund's diversity of programs work together to address the complex issues— in a way that no single agency, donor, volunteer, or sector of the community can do alone.

"Thank you for your continued support of our community! When we unite for the greater good, our impact is multiplied in more ways than one.

You have the power to ignite the potential of many!"
