# BUILDING BRIGHTER FUTURES THROUGH BOOKS

## Why Sheboygan County's Children Need Help Building Early Literacy Skills

### A Crisis in Early Literacy: The Need is Urgent

#### When You Can't Afford the Essentials, Books are a Luxury

- In Sheboygan's 53081 ZIP code, 39% of households are "below the ALICE threshold"\* and struggling to afford basic needs like food, housing, child care and medicine. For these families, purchasing books simply isn't possible.

#### Sheboygan is a Book Desert

- Research shows that children need access to at least 100 books in the home in their early years to set the foundation for school success. Yet for many families in Sheboygan County, that milestone is far out of reach. Our community has "below average" access to affordable books, making it a "book desert"\*\*\* where too many children grow up without a home library.

#### 3<sup>rd</sup> Graders Struggle to Read

- Within the 53081 ZIP code, 60% of 3rd graders read below grade level, compared to 47% statewide.\*\*\* Third grade reading proficiency is a critical predictor of high school graduation rates. Without intervention, these gaps compound over time, limiting future opportunities.

### The Solution: Dolly Parton's Imagination Library

The Imagination Library provides children with a high-quality, age-appropriate book every month from birth to age five, mailed directly to their home. This program is offered at no charge to the parents or caregivers.

- **Cost-Effective & Scalable:** For less than \$3 per child per month, the program ensures equitable access to books at a scale that no single family or school district could achieve alone.
- **Focusing on Greatest Need:** By first launching this program in Sheboygan's 53081 ZIP code, the area with the highest rates of ALICE households and struggling readers, United Way of Sheboygan County will be addressing the most urgent need first. The direct mailing model helps eliminate transportation and scheduling barriers.
- **Proven Impact:** Studies show the program improves early literacy, strengthens family reading habits and helps children enter kindergarten better prepared. 97% of parents believe that their child will be better prepared for school after having participated in the Imagination Library.

## WHY THIS PROGRAM NEEDS UNITED WAY & HOW YOUR SUPPORT IS ESSENTIAL

Contrary to popular belief, Dolly Parton's Imagination Library doesn't send books everywhere on its own – the program depends on **local partners** to make it happen. While The Dollywood Foundation handles book selection, purchasing and mailing, someone must step up to coordinate the program locally, enroll families and cover the cost of books and postage.

United Way of Sheboygan County is stepping up to lead this effort, but we can't do it alone. With your support, we can bring Imagination Library to Sheboygan County in early 2026. **Help us ensure our children start their early years with the opportunity to develop a love of reading and enter school ready to succeed, regardless of their background!**
